- Section 1 Introduction: what a publication scheme is and why it has been developed**
- Section 2 Classes of Information**
- Section 3 The method by which information published under this scheme will be made available**
- Section 4 Charges which may be made for information published under this scheme**
- Section 5 Written requests**
- Section 6 Contact details**
- Section 7 Further contact details**
- Section 8 Additional information**

Section 1: Introduction: what a publication scheme is and why it has been developed

This publication scheme commits SHARE Multi Academy Trust to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the Trust and/or individual schools within it. The Trust is guided by the Department for Education statutory policies for schools and what academies should publish online. The Trust is also required by law to adhere to the Freedom of Information Act (2000) outlining the requirements of public authorities to provide information upon request.

The scheme commits the Trust:

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the Trust and falls within the classifications below.
- To specify the information which is held by the Trust and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- To review and update on a regular basis the information the Trust makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.
- To make this publication scheme available to the public.

Section 2: Classes of Information

2.1 Who we are and what we do

Organisational information, locations and contacts, constitutional and legal governance.

2.2 What we spend and how we spend it

Financial information relating to projected and actual income and expenditure, tendering, procurement and contracts.

2.3 What our priorities are and how we are doing

Strategy and performance information, plans, assessments, inspections and reviews.

2.4 How we make decisions

Policy proposals and decisions. Decision making processes, internal criteria and procedures, consultations.

2.5 Our policies and procedures

Current written protocols for delivering our functions and responsibilities.

2.6 Lists and registers

Information held in registers required by law and other lists and registers relating to the functions of the authority.

2.7 The services we offer

Advice and guidance, booklets and leaflets, transactions and media releases. A description of the services offered.

The classes of information will not generally include:

- Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure.
- Information in draft form.
- Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

Section 3: The method by which information published under this scheme will be made available

The Trust will indicate clearly to the public what information is covered by this scheme and how it can be obtained.

Where it is within the capability of the Trust, information will be provided on our website and on the websites of the individual schools. Where it is impracticable to make information available on a website or when an individual does not wish to access the information by the website, we will indicate how information can be obtained by other means and provide it by those means.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

Information will be provided in the language in which it is held or in such other language that is legally required. Where an authority is legally required to translate any information, it will do so.

Obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information in accordance with this scheme.

Section 4: Charges which may be made for information published under this scheme

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Trust/school for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on a website will be provided free of charge.

Charges may be made for information subject to a charging regime specified by Parliament.

Charges may be made for actual disbursements incurred such as:

- photocopying
- postage and packaging
- the costs directly incurred as a result of viewing information.

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.

Section 5: Written requests

Information held by a public authority that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act (2000).

All written requests will be responded to within the legal timeframe set out within the legislation. The Trust have a set guideline for handling all FOI requests which are:

Validate:	The DPO will ensure that the FOI is a legitimate submission
Process:	The DPO will work with the relevant departments to gather the information
Submit:	The DPO will submit the request to the relevant party/ parties
Log:	The DPO will log the FOI with a unique tracking number in a log
Manage:	The DPO will handle and complaints and issues regarding FOI's
