1. Overview

Under the Data Protection Act (2018) and The UK General Data Protection Regulation 'GDPR' it is a requirement for all individuals to be correctly informed about what an organisation does with their personal data. SHARE MAT informs you how we use your personal data via a 'Privacy Notice' (also referred to as a 'Fair Processing Notice').

Within this privacy notice the trust outlines how it collects, stores, manages, edits, erases and controls an individual's personal data.

At SHARE MAT we employ a Data Protection Officer to oversee Data Protection and GDPR. If you wish to contact the DPO please visit the 'contact us' section within this policy.

This policy applies to all forms of personal data, including but not limited to, paper and electronic formats.

2. Legislation and guidance

The Data Protection Act 2018 is the UK's implementation of the Data Protection Regulation (GDPR). Everyone responsible for using personal data has to follow strict rules called 'data protection principles' and must make sure the information is: used fairly, lawfully and transparently.

This privacy notice adheres to the guidelines set out by the Information Commissioners Office (ICO), The General Data Protection Regulation (GDPR) and Data Protection Act (2018) legislations. It also follows the guidance of the Protection of Freedoms Act (2000) to ensure the protection of biometric data. In addition, it complies with the trust's funding agreements and articles of association.

3. Information specific to pupils

SHARE MAT ensures that when it collects personal data under 'special category' (minor's data) it does so in the most ethical and appropriate manner.

We believe that pupils aged 12 and above should be able to give consent for their own data processing and we will assess this on a case-by-case basis.

For pupils aged 12 and under, we believe they are not of an age to give their own consent and that a parent or guardian should give consent on their behalf for data to be processed.

8. Collecting your information

In these circumstances we ensure that we have a legitimate interest when requesting this data, however, as a data subject, you have the ability to choose if you wish to provide this information.

SHARE MAT will ensure that it informs you on 'mandatory' and 'non mandatory' data collection, the consequences of not providing mandatory information and the choices you have as a data subject.
